# PRESIDENT'S REPORT

## JANUARY-FEBRUARY

### 2024

Another year has commenced, and another AGM completed. Congratulations and thank you to the Club members who accepted positions on the Committee. Welcome Kristina Magnoli back to the management Committee. The very important Events Director role is vacant. We will try and fill this position as soon as possible.

Several members raised issues at the AGM that may help the Club into the future. If anyone has suggestions on how to improve elements of the Club, please speak to any of the Committee members so your voice on these important matters can be heard.

Welcome to our new member, Hal Murray. Hal owns a FJ Sedan and utility. Hope to catch up with you soon. Remember if you require assistance or have questions of any kind with the repairs or maintenance of your vehicle, do not hesitate in talking to us. There is a wealth of knowledge available to you from Club members.

Finally, I would like to wish those who are unwell, a speedy recovery.  
Stay safe everyone.

"WE KEEP HOLDEN ON".

Cheers **Peter Hesse** President

### **The General Meeting was re-commenced at 9.03pm**

## GENERAL BUSINESS

Club meeting room to be rebooked 2024/2025.

Geoff reported that the batteries in the Clubs three walkie talkies would no longer take a charge. It was decided not to repair them and dispose of the units thoughtfully.

Aircraft Museum Narellan – Paul will keep us informed around his discussions regarding a visit.

Wagga Wagga June Long Weekend Rally – Kristina needs to have numbers of people wishing to attend before the next meeting.

The Club has six 30-year books available at \$30 each. Five have been reserved. If you would like one, please contact Peter. First in first served.

We are looking at making a 50th year grille badge. Further discussions will be held on this at the next meeting.

Suggestions were made to look at possibly ways of creating new interest in future events in an attempt to increase our club profile and membership.

## TECH TALK

Paul asked several questions relating to the carburettor needle and seat on an FX. It was suggested he fit a later type which meant the fuel line from the lift pump to carburettor would have to be modified or changed.

## RAFFLE

Tonight's raffle was won by Kristina, Glenn & David.

Peter Hesse closed the General Meeting at 9.37pm.
